Pioneer for 2022

MESSAGE FROM OUR LEADERS

God said to Joshua, "Go through the camp," he said, "and command the people, 'Prepare provisions for yourselves because within three days you'll be crossing the Jordan River to take possession of the land that the LORD your God is giving you— so go get it!'" Joshua 1:11

God has given us a commandment to reach the world and while we have been working towards this goal for 2000 years, the task is still ours today. We are so close to seeing God's assignment finished and we would like to invite you to partner with us in this task.

Let's make history in 2022 and give all we have!

burden

There are over 7.6 billion people living today; and of this number over 42%, 3.16 billion, are without access to the Gospel. This means more than a third of the world's population has no Bibles, no churches, and no one that can share God's story with them.

vision

We take the mandate of Jesus said in Matthew 28:18 very seriously, and simply go to the ends of the earth using whatever means is possible.

values

Mass Evangelism

A pioneer mission and evangelism movement that reaches hundreds of thousands each year to the Gospel. Over 3 million people have responded to the Gospel in our crusades and many churches have been planted.

Mobilization

We go find unreached or unengaged people groups and share the Gospel, no matter where they are by hosting a mission's training program. Taking young adults through intense training and then overseas into the tribal bush to live and share the Gospel with the unreached.

Mission Networking

Through communication, social media, and digital apps we provide a place to connect and partner with pioneers and leaders around the world to reach the unreached.

Operation 326

THE FINAL FRONTIER

TODAY THERE ARE UNREACHED PEOPLE GROUPS REMAINING THAT HAVE NOT YET HEARD OF JESUS. THEY HAVE ZERO CHRISTIANS: NO WORKERS, NO MISSIONARIES, NO JESUS FILM, NO BIBLE. OPERATION 326 IS SENDING OUT PIONEERS TO DETERMINE WHAT IS NEEDED TO REACH THESE PEOPLE AND PLANT CHURCHES AMONGST THEM.

Sponsor a People Group

By donating \$3,260 we can send a pioneer to go and make a reconnaissance report to determine next steps.

Host a Service

We can send a creative team to share the need of the unreached. In some cases, we can even bring our helicopter.

Send Students

Send members of your church on a short term expedition to share the Gospel amongst the unreached.

OPERATION 326

Unreached: An unreached or least-reached people is a people group among which there is no indigenous community of believing Christians with adequate numbers and resources to evangelize this people group without outside assistance. Help us locate and reach them through Operation 326.

REMAINING UNREACHED PEOPLE GROUPS

At the beginning of 2020, we identified just 326 remaining people groups that have not yet heard of Jesus. Since Jesus came, 2000 years ago, they have never known of Him. They are born, they live, and they die without ever knowing of their Savior.

Today that number has lowered; there are just **283** people groups left to reach.

PIONEER FOR 2022

This year we plan to continue the work of pioneering and church planting among the remaining 283 unreached tribes who have yet to hear the Gospel.

MISSION ONE ELEVEN AVIATION

MISSION ONE ELEVEN

The Final Frontier

Discovering the remaining unreached people groups

We have added a BO 105 helicopter to our program to train and prepare a new generation of helicopter pilots and mechanics to search and find unreached people groups.

OPERATION 326

For more than 20 years Mission One Eleven has used helicopters to seek out and find new unreached people groups. Now, Mission One Eleven has launched our own Aviation program based at Meadows Field Airport in Bakersfield, California. You can help us locate and reach the remaining unreached through our Operation 326 program.

Mission One Eleven Expeditions

WHAT IS MISSION ONE ELEVEN?

Quite simply Mission One Eleven is a turnkey program that sends teams to go and share the gospel through chronological storytelling. In our three-month program, we train and equip teams with everything they need to accomplish the task and go. The great part is that your students come back to your church to share the exciting results and energize your missions program and commitment to the Unreached Initiative.

BECOME A PIONEER

STUDY IN ONE OF OUR TRAINING CENTERS

Remove yourself from your daily norms and immerse yourself with other like-minded people who have a heart for people who have never heard the name of Jesus. We have training programs in Sweden, the United States, and Canada. We hope to hope another school in Mexico soon.

DIGITAL

What started as a vision to reach refugees with the Gospel, has now developed an entirely new field for Mission One Eleven.

OCFEP APP

OCFEP app is a platform resourcing people, churches and organizations to reach and identify and reach the unreached.

HERO NETWORK APP

Hero app is a community compassion engagement tool. An easy to use tool to manage resources and distribution of goods in kind to local communities.

STORYSHARE APP

A storytelling app to encourage God's Story to be shared across multiple languages. These 29 stories have been used for many years to give One Chance for Every Person.

MASS EVANGELISM CRUSADES

More than 3 million people have responded to the Gospel. In these crusades they have seen crowds over 300,000 in a single service. Thousands of churches have been planted as they call for a Gospel army of believers to join the great "Assignment". Millions in Africa, Asia and the Middle East have been impacted by the work of Joshua Campaign.
